and all the performers have given their time and expertise to entertain you on this night - free of any performance fees - to raise funds to support a very Special Lady.

Angela Kaplan has served the Western Cape Celtic Dance Association as their Treasurer and Official Scorer at all their competitions for more years than many can remember. She has always been in the background, quietly getting on with the job without any fuss, but also willing to help with anything and always the first to volunteer.

Unfortunately, Angela has developed serious and chronic health problems and the medical costs are becoming a massive cause for concern. The Western Cape Celtic Dance Association are asking for your support in raising funds to help cover the heavy medical costs by simply coming along to enjoy a Night of Music and Dance. But not only that, but simply by being there, you will be showing Angela and her family that you care. Please book with Judy Lucas on 074 102 2705 as soon as possible – **SEE YOU THERE!**
